

## IMPORTANT!

The following requirements must be met by the submission deadline or the submission will NOT be considered.

- ☐ You must complete and submit an accurate Pre-Submission form and Product Submission form. If your submission contains incorrect or dummy data, it will be automatically rejected.
- ☐ You must have a valid [Health Canada License](#) permitting the sale of products within the Cannabis Product Class.
- ☐ You have obtained the vendor prefix from GS1 and finalized the GTINs (GTINs cannot be changed within 60 days after submission).
- ☐ You have secured your product name, product description, packaging and labelling and they must be compliant with the required [information](#).
- ☐ You have reviewed the [Acceptable Cannabinoid Chart](#).

**Once the submission deadline has closed the OCS will request the following documents within 5 days:**

- ☐ You must have a valid Child Resistance Certificate.
- ☐ You must have the Service Request Number (SRN) provided by GS1, along with confirmation that packaging images have been sent either via e-submission or physical package to GS1.
